

IS STATE MEETING

Kansas Engineering Society
Will Begin Sessions Thursday.
Mayor Corwine Will Welcome
Delegates to Topeka.

ONE HUNDRED WILL ATTEND

Engineers Will Inspect New
Waterworks Plant Here.

Students of Kansas Colleges
Will Be Guests of Society.

Registration of engineers from all parts of the state, in Topeka to attend the fifteenth annual convention of the Kansas Engineering society, will commence at the Chamber of Commerce at 9 o'clock this morning. There will be more than 100 engineers present at the convention.

The first session of the convention will be held in the parlors of the Chamber of Commerce at 2:30 o'clock with Mayor Herbert J. Corwine presiding and an address of welcome to the engineers, to which the response will be made by P. L. Brockway, city engineer of Wichita, and vice president of the society.

Averill to Make Report.

A business session of the society, with the reports of the secretary, treasurer, J. M. Averill, of Topeka, and the executive committee, also presented by the secretary, will be held at 10 o'clock. Following the reports, the convention committee will be appointed.

At 10:45 o'clock the reports of standing committees, including technical papers and discussions, will begin. The reports of the committee on bridges, building construction, central power stations, and drainage and flood protection, will be given at morning sessions. The reports of committees on electric power transmission, fuels, highways, irrigation, manufacturing industries, masonry and concrete, and materials of construction, will be given in the afternoon.

Lloyd B. Smith, of Topeka, president of the society, will address the engineers on "Present Problems of the Engineering Profession," at the afternoon session.

Banquet at C. of C.

At 8:20 o'clock Thursday evening, the visiting engineers will be guests of the Topeka Engineers' club at a banquet to be held at the Chamber of Commerce, followed by a social meeting and an address by Mayor Corwine, at 9 o'clock.

At 9 o'clock Thursday evening, there will be a moving picture of the duplicating process of blue printing, by E. L. Lester, chief engineer of the Lincoln, Neb., under the auspices of the Topeka Engineering club.

A second film, showing a new concrete pipe system, will be shown by the Woods Brothers company, of Lincoln, Neb., will be shown Thursday evening.

Committees to Report Friday.

On Friday the reports of committees will be given. The reports of committees will report on pavements, sewerage and stream pollution, surveys, telephone, electric power, water, water power, waterworks and water purification.

At 4 o'clock Friday afternoon there will be a second business session of the society, at which the reports of the convention committees will be received, and officers for the coming year will be elected.

Chairmen of Committees.

The chairmen of the committees who will make the reports on various engineering activities are: Bridges, Ira E. Taylor, county engineer, Mitchell county; building construction, I. E. Scamell, Topeka; drainage, valuation, George C. Schand, K. U. faculty; Lawrence, with discussions by J. H. Mullison, Hutchinson, and J. N. Hinchman, Wichita; masonry and flood protection, C. E. Jacoby, Kansas City, Mo.; electric power transmission, Curtis E. Smith, Lawrence; irrigation, Edward C. S. A. C. faculty; Manhattan, city engineer; highways, L. E. Curfman, city engineer; Pittsburg, irrigation, George S. Knapp, state engineer; masonry, Charles P. Buck, Topeka; masonry and concrete, Richard E. Bridges, division of the engineering of the Kansas State Agricultural college; materials of construction, professor of engineering at K. S. A. C.; petroleum products, S. A. Sulem, El Dorado; railroads, J. A. Frader, faculty of K. S. A. C.; Manhattan; irrigation, J. Kim, Oswego; sewerage and stream pollution, Albert H. Jewell, of Lawrence; chief engineer of the state board of health; telephony and signaling, E. R. Dawley, faculty of K. S. A. C.; Manhattan; surveys, Herbert A. Rowland, county engineer of McPherson county; valuation, J. R. Hodgson, city engineer of Baxter Springs; water power, D. C. Ackers, of Abilene; waterworks and water purification, Ernest Boyce, assistant engineer of the state board of health.

Students Invited to Attend.

Engineering students at the Kansas State Agricultural college, Lawrence, and the University of Kansas have been invited by the officers of the Kansas Engineering society, to attend the convention.

Letters of invitation were sent to Dean Roy A. Sexton, at K. S. A. C., Dean F. W. Wicker, at the state university, and Prof. C. S. Loper, of Washburn college. The heads of the engineering departments at K. S. A. C. and Washburn have announced that their students will be excused from attending classes on the dates of the convention to attend the meetings of the society.

Civil Engineers to Meet.

Coincidentally with the meeting of the Kansas Engineering society, there will be held the annual meeting of the Kansas section of the American Society of Civil Engineers, at which the Chamber of Commerce has announced that its students will be excused from attending classes on the dates of the convention to attend the meetings of the society.

The WEATHER

FORECAST FOR KANSAS.
Rain or snow west portion tonight.
Thursday partly cloudy. Coldest west portion.

SNOW DUE HERE TONIGHT

Christmas Weather Is Promised by Meteorologist Flora.

TODAY'S TEMPERATURES.
7 o'clock.....14 11 o'clock.....21
9 o'clock.....18 12 o'clock.....23
5 o'clock.....18 1 o'clock.....25
10 o'clock.....20 2 o'clock.....26

Protect all thirty-six hour shipments north against a temperature of 15 degrees. West and east 25. South 20.

Christmas weather will prevail in Topeka tomorrow and Topeka will have a snowfall of one to two inches, says Meteorologist Flora. Rain, which will turn to snow, is scheduled to arrive in Topeka today or tonight, says the weather man. Weather conditions are optimistic over the chance for snow as it is already overdue. This is the first year on the records of the local weather bureau that snow has failed to appear in Topeka before December 11.

There will be a general moderation in the temperature, but a more pleasant brand of weather is due the (Continued on Page Two.)

K. P. O. A. TO TOPEKA

Kansas Peace Officers Here Friday and Saturday.

Shawnee County Attorney First Speaker on Program.

One hundred and fifty peace officers from all parts of the state will register for the annual meeting of the Kansas Peace Officers' association, which is to be held at representative hall Friday and Saturday, is the estimate of officials of the association.

W. T. Clark, sheriff of Harvey county, is president of the association, and will call the first session of the convention to order at 10 o'clock Friday morning, when Mayor Herbert J. Corwine will make an address of welcome to the sheriffs, police officers, and railway special agents who are members of the organization.

Tinkham Veale to Speak.

Tinkham Veale, county attorney of Shawnee county, will make the first address on the program, on the theme, "The County Attorney, the Peace Officer's Ally."

Co-operation of Federal and State Officers.

At 1:30 o'clock Friday afternoon the reports of the officers of the association will be received and the place for the mid-summer meeting of the association will be discussed.

INCLINED TO BALK

Turks Refuse to Give an Inch to Christian Quarter.

Ismet Pasha Says All Territory Has Turkish Majority.

LORD CURZON IN WARNING

Lose World Sympathy If Parley Breaks on Minorities.

Russian Delegates Continue to Quarrel Over Straits.

(By the Associated Press.)

Lausanne, Dec. 12.—Turkey refused at today's session of the Near East conference to assign any special part to Turkey as a national home for the Armenians. Ismet Pasha declared this would mean a new attempt to dismember Turkey.

Ismet Pasha was irreconcilable on other points concerning the treatment of minorities in Turkey. Besides declaring Turkey would not set aside an inch of Turkey soil for an Armenian national home, he said she would not accept the regulation of rights of minorities by an international commission in Constantinople or elsewhere.

Curzon Warns Turks.

Lord Curzon warned Ismet that there would be no sympathy anywhere in the world for Turkey if the conference broke down on the question of the treatment of minorities.

After a long and unsatisfactory discussion, the entire question of minorities was referred to a sub-committee. In his declaration regarding the Armenians, Ismet said there was not a bit of territory in Turkey proper or in its provinces or in Cilicia which did not contain a Turkish majority, and no territory which could be detached in any way from the fatherland for the Armenians.

Ismet declared that if the Greeks and Armenians were unhappy, it was because they had put themselves in the position of aggressors and that this attitude had received support from other countries.

Angora Flights Plan.

The Angora delegates to the Near East conference are vigorously combating the plan of the powers to write the question of minorities into the treaty which it is hoped will be drawn up here. Ismet Pasha and his associates believe that such conditions would be an infringement on Turkish sovereignty and a slight to her honor.

At the Angora conference, Ismet Pasha and his associates believe that such conditions would be an infringement on Turkish sovereignty and a slight to her honor.

FIND NO TRACE OF BANDITS

Kansas City Banker, Shot During Holdup, Will Recover.

Kansas City, Mo., Dec. 12.—Police today continued their search for three bandits who yesterday afternoon shot and dangerously wounded Thomas Henry, credit man for the Drovers' National bank here, and made a safe get-away with \$90,000 which Henry and four companions were taking to the bank from a postoffice sub-station.

Clues left by the robbers in the automobile used for their escape, which they abandoned a short time after, are being run down and predictions of an arrest sometime today are made.

These clues consist of wearing apparel worn by the robbers in their holdup. Police investigation is also following the theory that the arrival of the money was "tipped off" to the bandits by some one familiar with the matter. Early today, no trace of either the bandits or their loot had been discovered. Henry, who was at first thought to be fatally wounded, is resting easily and will recover, it is stated.

The robbery, police say, is one of the boldest ever pulled in Kansas City and is one of the largest hauls ever made by robbers here. Henry and his companions were attacked by the bandits shortly after they had withdrawn the money from the postoffice and were taken to a waiting automobile.

Henry was shot when he tried to throw the money to safety over a partition. The bandits then seized the currency and with drawn pistols shot at the robbers, escaping in a waiting automobile.
